Lady Luck 2016 - Gogue Seminar

After 16 years of tattooing and over eight years teaching seminars I have learned what is important to being a tattooer and how to connect with your clients. I help you learn how to perceive and interpret the intentions of your clients and execute those intentions through your tattoos. I also help develop insight to fulfilling your personal role in the world and culture of tattooing.

You will learn insight into design, layout, referencing, execution, and overall maturing of your tattoo career. This seminar will help elevate your tattooing to a new level.

I live and work in Grants Pass Oregon, at Off the Map Tattoo. I guest spot regularly in Yokohama, Japan at Yellowblaze. Tattooing since 1999. Working as an artist since 1987. Teaching tattoo seminars since 2005, teaching oil painting workshops since 2007.
